Do you have a story to tell?

If you or someone you know wants to share a 2-minute story related to HIV, e-mail

Generation.Tomorrow.CFAR@gmail.com

The story can be funny, sad, lyrical, musical, or simply ordinary – but it must be true.

HIV isn't just about an illness – it's about relationships, sex, drugs, fear, shame, power, testing, health care systems, and so much more.
