3.1.23 Care Coordination Workgroup Meeting

Group Meeting Norms

- When you join, please chat-in or say your name.
- State your name before speaking.
- Verbalize messages in chat.
- Speak for yourself only, using "I" statements: "I do not like…" instead of "we do not like…"
- Raise your hand to speak and use your camera when possible.
- Closed Captioning is available through Teams by clicking on More Actions and selecting "Turn on live captions".
- Meeting notes will be sent in "text only" format at the end of each meeting.
- All meetings recorded
