

## About Us

Baltimore City Cancer Health and Equity Coalition works with cancer experts, charitable organizations, governments, cancer agencies, national health organizations, patients, survivors, and others to create a plan to increase awareness of cancer prevention and screening.

## Vision

To significantly prevent and reduce cancer and promote health equity in Baltimore City by:

- ✓ Promoting access to the highest quality of education, prevention, screening, treatment, advocacy, and research across the continuum of care
- ✓ Promoting data-driven efforts to identify and reduce disparities
- ✓ Coordinating, facilitating, and supporting cancer control activities
