HOW TO BECOME A PARTICIPANT OF NEEDLE EXCHANGE

The Needle Exchange Program is an HIV and Hepatitis C prevention program that offers intravenous drug users risk reduction education and clean syringes to reduce the spread of HIV/AIDS and other infectious diseases. The program also provides access to drug treatment. To become a participant of the Needle Exchange Program all you need to do is register at any of our locations. The participant must be an injection drug user. This program is free and confidential. No identification is required for registration.

RULES FOR NEEDLE EXCHANGE CLIENTS	DRUG OVERDOSE PREVENTION AND RESPONSE TRAINING
<ul style="list-style-type: none"> ▪ Respect other clients, the staff, and the neighborhoods that the NEP operates in. ▪ Never expose needles outside of the van or pharmacy. ▪ No soliciting of any kind on the van or outside of the van. ▪ Recap all Syringes. ▪ Do not break the points off the syringes. 	<ul style="list-style-type: none"> ▪ Please do not pass syringes to other clients in the line to exchange on your behalf. ▪ Please do not consume alcohol beverages or use any drugs in line or while being serviced. ▪ Please no loitering or littering around needle exchange sites. ▪ Please do not make any money transactions in the line or around the van while waiting to exchange. ▪ Please do not bundle or unbundle syringes while on the van
<p>The Baltimore City Needle Exchange Program has transitioned to a needs-based distribution model. Using this approach, we strive to provide an adequate level of safe injection equipment to all participants based upon their individual need and our program protocol. If at anytime you feel that your needs are not met, please do not hesitate to the management team. Contact information is listed on the front page at the top.</p>	<p>Do you know how to decrease your chance of overdosing or assist someone who has overdosed?</p> <p>If not, you can get training at our drug overdose prevention program.</p> <p><u>TRAINING SCHEDULE:</u></p> <p>Temporarily Discontinued</p> <p>* Trainings are held on a regular basis on the NEP mobile units, and usually take about 10 minutes to complete. Each person trained will receive an overdose response kit, which includes naloxone. If you are interested, please ask a health educator about details and availability. We strongly encourage everyone to take the training.</p> <p>For more information call The Staying Alive Program at: 410-396-3731</p>
